

Andrzej Wójtowicz

ADDRESS:
CRACOW, POLAND

Portfolio: bit.ly/4hYp3i7

Email: awojtowicz992@gmail.com

EXPERIENCE:
12.2023 – PRESENT

Ramp.network, Product Designer

I'm working on a product for buying and selling crypto assets used by thousands of users every day. My role includes designing user flows, contributing to the design system, conducting A/B tests, performing data analysis, and conducting user research.

11.2021 – 12.2023

Appfire, Senior Product Designer

I was developing an online whiteboarding tool for agile teams that work as a plugin for Jira and Confluence. It used almost 2,000 companies and 11,000 monthly active users.

09.2020 – 10.2021

Zen.com, Product Designer

I was taking part in launching a fintech app. We gained more than 10,000 users in the first 3 months.

02.2018 – 08.2020

Comarch, UX Designer

I worked for clients like Skoda, BNP Paribas, and the National Library of Poland. I was developing the Comarch Design System.

08.2016 – 01.2018

Ready4s, UX/UI Designer
